PUBLIC HEALTH ORDERS REMOVE PROOF OF VACCINATION REQUIREMENTS

Manitoba Health reminds Manitobans new public health orders have come into effect today that remove all remaining proof of vaccination requirements for public places. Proof of vaccination and testing requirements for designated public sector employees, including education, child-care and health-care workers, have also ended.

Mask wearing continues to be required in indoor public spaces until March 15.

For more information about COVID-19 in Manitoba, visit www.manitoba.ca/covid19.
